

Acorn's

Summer Schedule

June 28th - August 20th

It's that time again!!! Summer is here and the fun is about to begin! We have lots of fun activities planned for the Acorn Super Summer Schedule.

This year Acorn offers a lineup that combines education, athletics with music, arts and most of all FUN!!!! The program is open to children ages 2 to 8 years old.

The schedule focuses on teaching new skills and encouraging teamwork while having fun. Activities are tailored to each age group of participants and are offered in a half day and full day program each weekday during our seven weeks of summer break. Some of our outdoor activities include picnic, treasure hunt, water play, and park time while indoor activities include arts and crafts, cooking, watermelon bowling, games, dance, as well as science and math programs.

Every program in Acorn's Super Summer Schedule has a high level of instruction. Specialty activities like arts and crafts, science and nature, cooking, and yoga are age-appropriate and emphasize high-quality skill development.

Each week will include the above-mentioned themes and much more.
